INTRODUCTION

Cloonties is an exciting new development of modern 3, 4 & 5 bed houses situated in the picturesque village of Ballyferriter. Located in the gaeltacht area of West Kerry, Ballyferriter is nestled in a stunning green valley with majestic hills to the south and a ridge of jagged peaks to the north. To the east Smerwick Harbour frames a two mile stretch of stunning white sandy beaches. Facilities in the area include shops, church, school, post office, museum, restaurants, pubs, hotels.

The Irish language is alive and thriving in the area and adds to the unique style of the village. Located in what is known as the richest square mile of Christian heritage in Ireland, Ballyferriter is steeped in history and antiquity.

SECTION 23

This is an ideal opportunity for a high yield investment with section 23 tax incentives. The development has been diligently planned and designed as a multi-purpose facility providing for tourism. Comprising of thirteen 3, 4 & 5 bedroom holiday homes, all houses will be built to provide the highest standard of specification and finish and are set on a beautiful landscaped site.

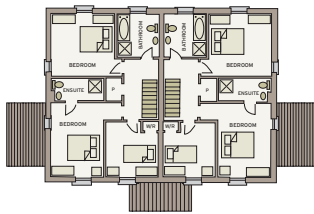

These exclusive holiday homes will be delightfully decorated and fully fitted out with all appliances, furniture, linen, etc., even down to the cutlery! In addition, a management company is in place to manage all aspects of holiday home ownership from lettings & marketing to maintenance and cleaning making this a completely hassle free investment
